

The number 9 mini bus from Exchange Square runs every 10-20mins to Borrett Road. There are long lines during peak times.

There is only one way to walk up to Borrett Road, that is from Bowen Road. You can access Bowen Road from Magazine Gap Road, Kennedy Road or the staircase from Macdonnell Road.

From this point students should walk along Bowen Road to the Stone House. A zig-zag ramp and some stairs lead up to Borrett Road and Island School. There are no pavements on the lower part of Borrett Road and all walkers should turn up here.

If you are considering walking to school the PTA pro tip is to practice the route before the Assembly.
