Join us for an in-depth discussion on the CISG, with a special focus on perspectives across the Americas and EMEA. YSIAC is pleased to present speakers from the YSIAC Council and the SIAC Secretariat, who will explore how practitioners from different regions approach — and at times differ on — the substantive law aspects of Articles 75 and 79 of the CISG. We hope you can join us for what promises to be an insightful exchange in the lead-up to the 33rd Willem C. Vis International Commercial Arbitration Moot and the 23rd Willem C. Vis (East) International Commercial Arbitration Moot.
